

# HILLTOP

## 1989

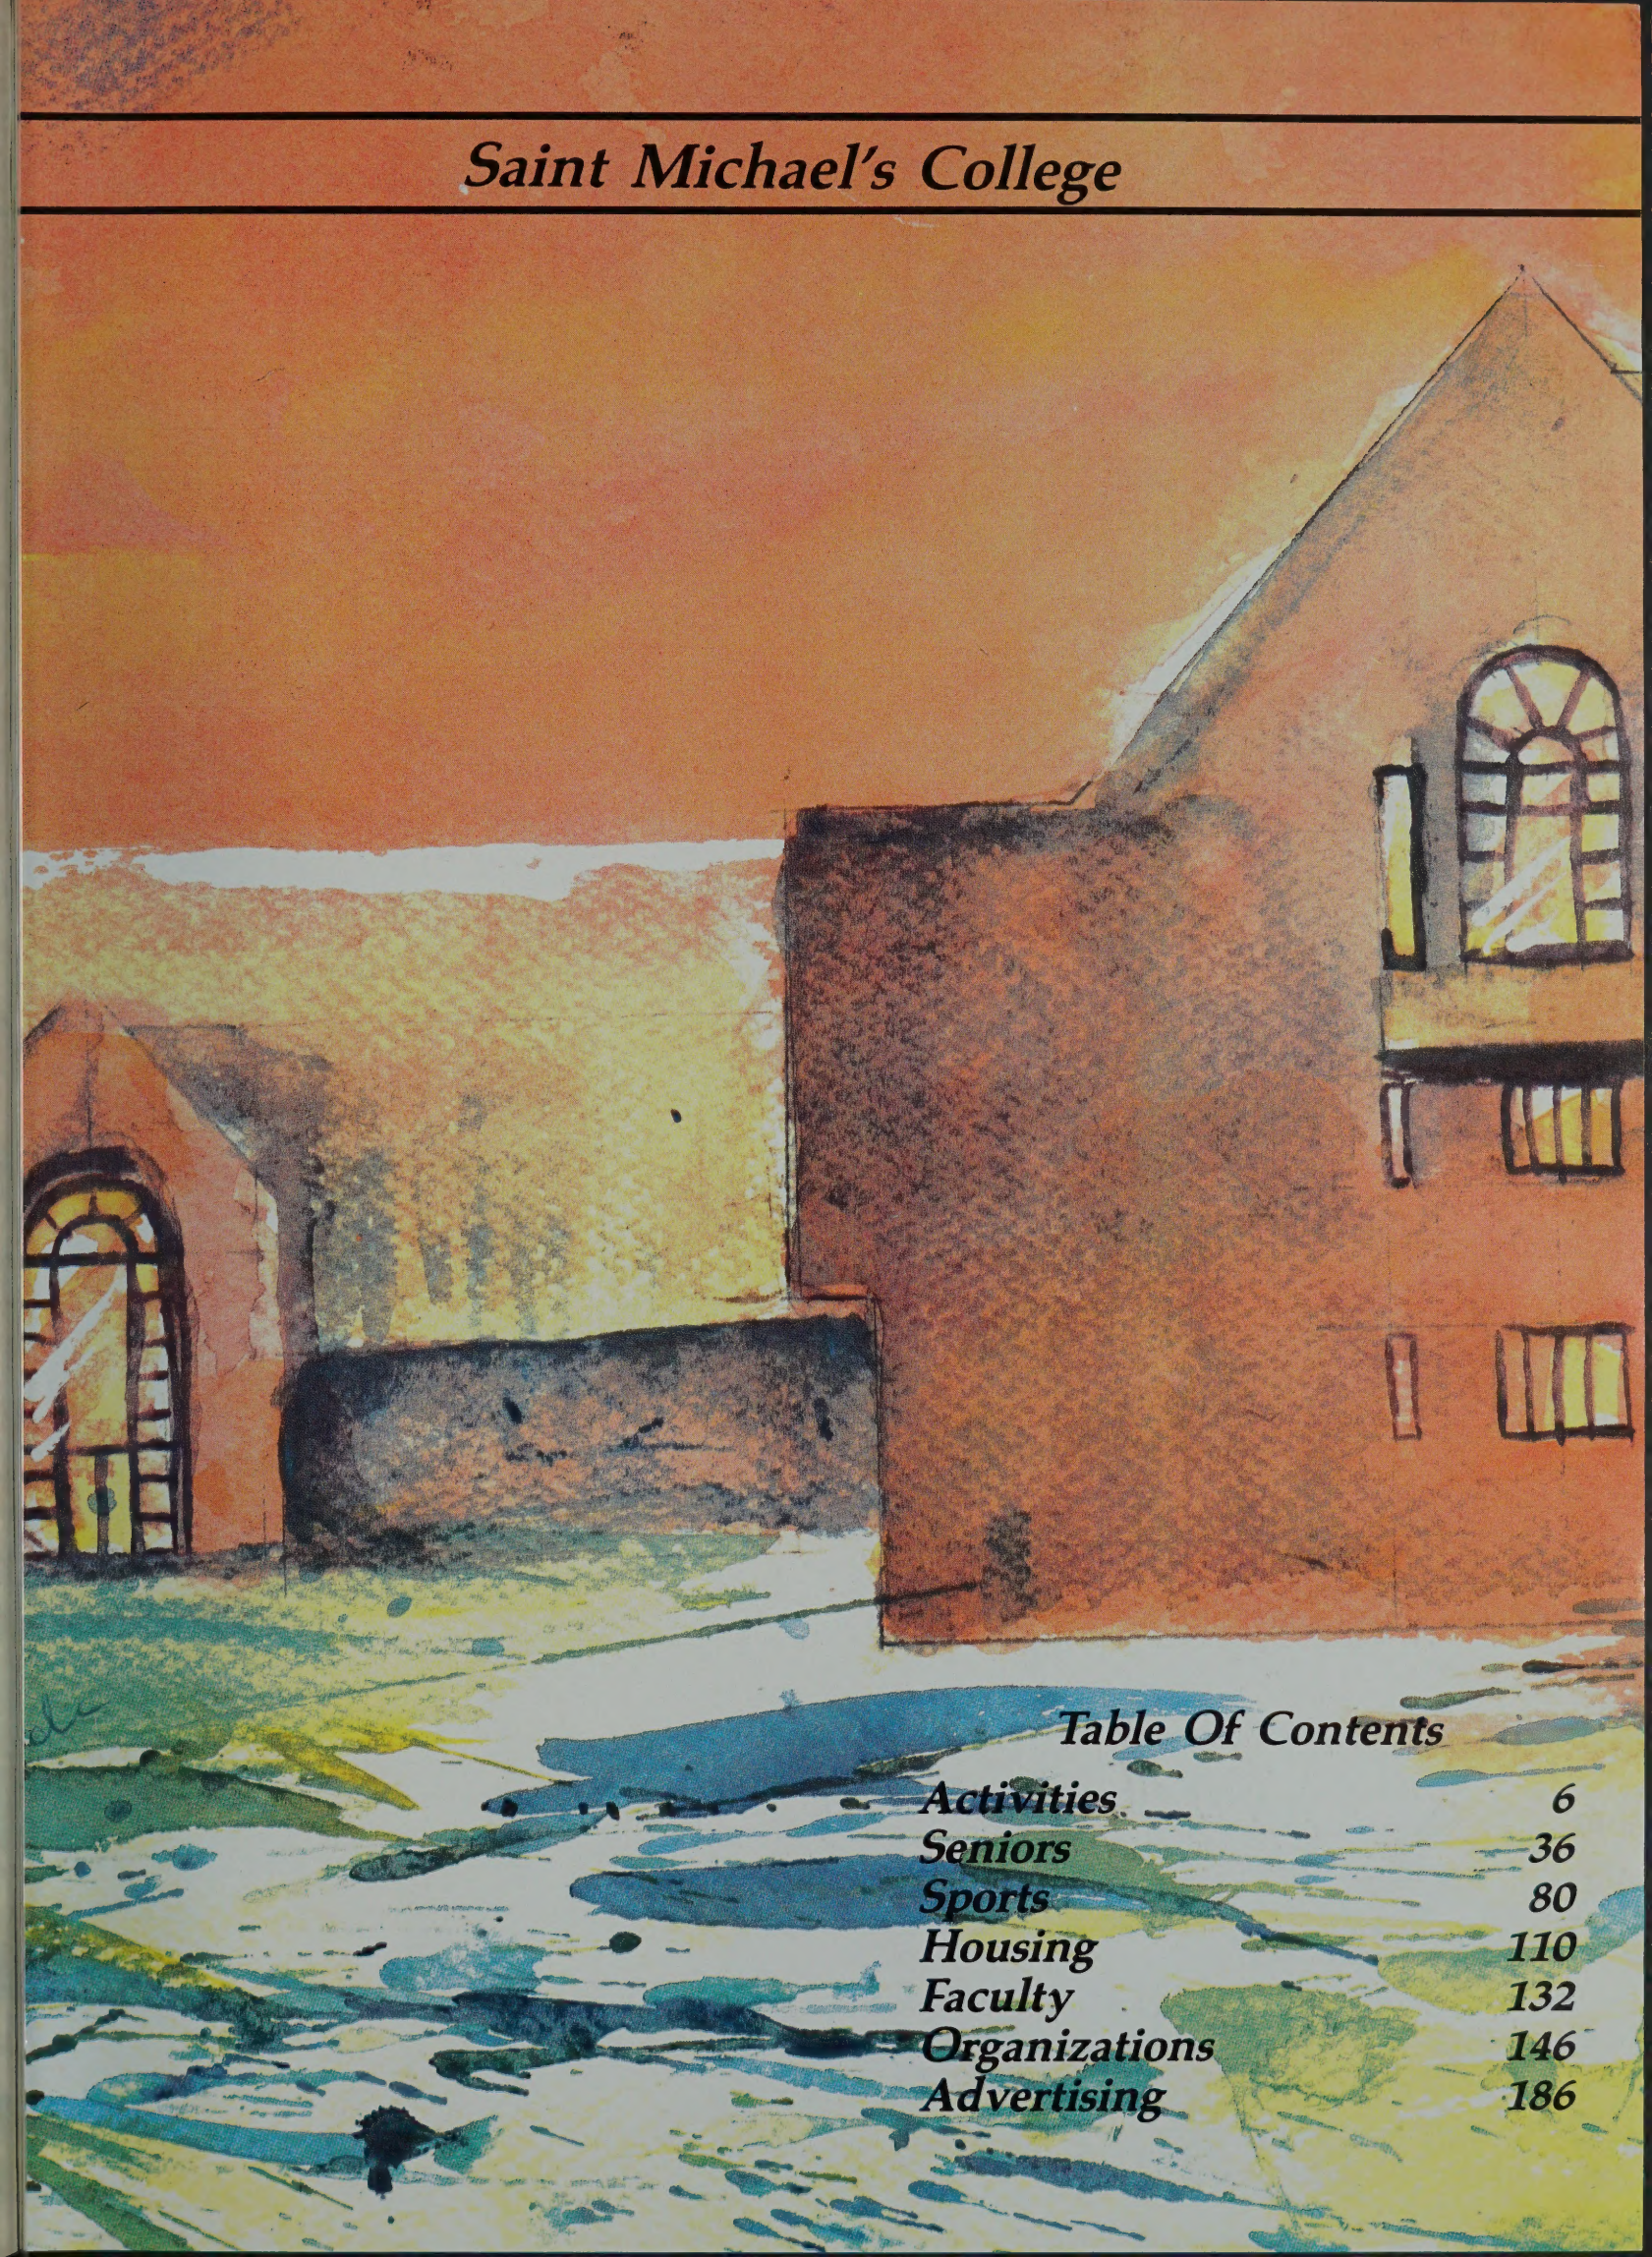

A watercolor illustration of Saint Michael's College buildings. The scene features a large, multi-story building with a prominent arched window on the right side, and a smaller building with a similar arched window on the left. The ground is depicted with green and blue washes, suggesting grass and shadows. The sky is a warm, orange-brown color. The overall style is artistic and painterly.

# Shave, No Haircut, 30 Grand

John Carvellas said he never thought it would come to this.

After a kiss from his wife, Betty, and a round of cheers from more than 100 onlookers, however, he eased himself into Roy Yandow's barber chair Monday night and let Yandow take off 19 years of his life.

Carvellas carried out his end of a deal he made with students. They would raise \$30,000 for the senior class's gift to the school and he would shave off his 19-year-old beard.

*As is the case with everyday life, changes have played a large role at Saint Michael's College. This is especially true of this year's senior class, who have lived through three years of a constantly changing environment.*

*To witness this change let's journey into the past three years with our digital time machine. Just hook it onto your mountain bike, shift gears and pedal into the past. For the first stop head into Jemery to get your mail, if your grandmother sent you a check, go cash it and buy some . . . beer. If it's Friday your next stop will probably be Whisper's so you can get one of those 98 oz. beers and steal one*

*of those 98 oz. glasses to add to your large collection.*

*In the evening it's off to "the Barn" or Alumni for a keg party and have a . . . beer (if you can get to the keg). By this time you've probably had enough beer, so just walk your bike to the dorm you happen to be staying at tonight. (This part of the trip may include Trinity College or UVM).*

*After a good night's rest it is time to continue on the journey. Off to classes, of course you'll have to go a mile out of the way because of the construction of a new academic building. Being creative college students, we'll call it, "the New Building."*

After all of this history you're probably hungering for one of those meals that only Saga can make. Saga, four letters that stand for all the frosted fruit squares you can eat and a plethora of other fine foreign foods.

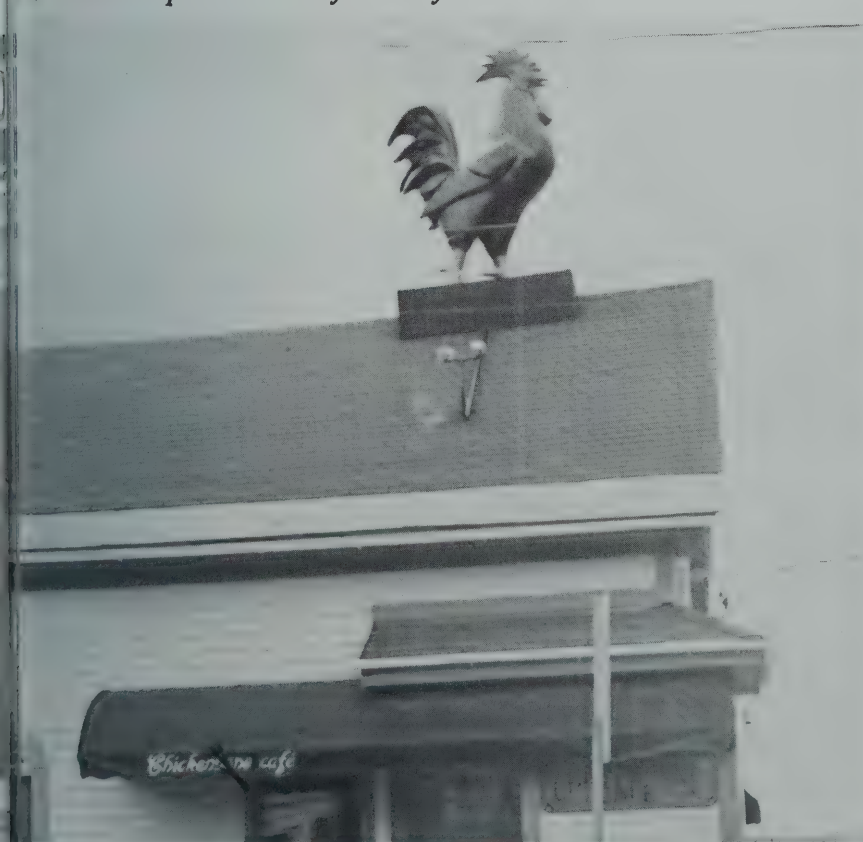

Still not full? Then just pedal to the Market and stock up on Mountain Dew and other fine Pepsi products. Now that you've fulfilled your nutritional needs, why don't you give your friends, who are seniors, a call. No dime? That's no problem, just use the campus phone. They'll be glad you called.

Keep on pedaling, you're almost back to 1988. While you're on the way though, you might as well stop at a P-day. Every-

thing here may seem a little fuzzy. Maybe it's the . . . beer, but it could be the thrashing noise of a "Springsteen-length" set by the Ramones.

Almost home, but first stop at Finnigan's. It may hurt, but you've got to face it sometime. Take a deep breath, shift gears and head for St. Mike's. Wave to the old Chuck's Mobile (hold onto your credit card), you're almost there. You have finally made it. Just to be sure, look for the new pathways to St. Ed's. If you have enough choices of paths that you don't have to walk by anyone that gives you a feeling of discomfort, you're home.

## I'd Pick More Daisies

If I Had My Life To Live Over Again, I'd Try To Make More Mistakes Next Time. I Would Relax. I Would Limber Up. I Would Be Sillier Than I Have Been This Trip. I Know Of Very Few Things I Would Take Seriously. I Would Take More Trips. I Would Climb More Mountains, Swim More Rivers And Watch More Sunsets. I Would Do More Walking And Looking. I Would Eat More Ice Cream And Less Beans. I Would Have More Actual Troubles And Fewer Imaginary Ones. You See, I Am One Of Those People Who Lives Prophylactically And Sensibly And Sanely Hour After Hour, Day After Day. Oh, I've Had My Moments; And If I Had It To Do Over Again, I'd Have More Of Them. In Fact, I'd Try To Have Nothing Else. Just Moments, One After Another Instead Of Living So Many Years Ahead Each Day. I Have Been One Of Those People Who Never Go Anywhere Without A Thermometer, A Hot Water Bottle, A Gargle, A Raincoat, Aspirin, And A Parachute. If I Had It To Do Over Again, I Would Go Places, Do Things And Travel Lighter Than I Have.

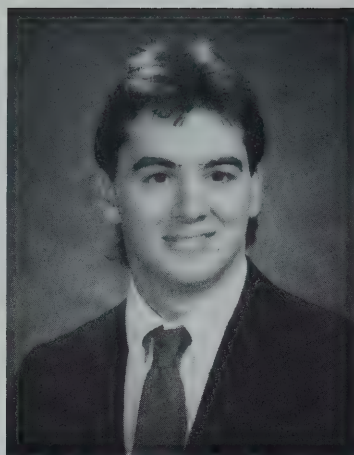

If I Had My Life To Live Over, I Would Start Barefooted Earlier In The Spring And Stay That Way Later In The Fall. I Would Play Hookey More, I Wouldn't Make Much Good Grades Except By Accident. I Would Ride On More Merry-Go-Arounds. I'd Pick More Daisies.

### Tri-Captains on and off the ice

The St. Michael's College Ice Knights opened their season at the fourth annual Fay Miners Cup International hosted by Southern Maine on Dec. 28 and 29.

The team lost to the Maine State team in the first round 4-1 and won the consolation game against the University of Southern Maine 4-3.

The Ice Knights fought back from a 3-1 deficit against Portland and led 2-1, seven minutes to play. Senior tri-captain Mike Murphy led the comeback with a pair of goals. However, the ECAC Division III West contender held out the 6-4 victory with a 16-save performance in St. Michael's goalie.

Head coach Lou Dimasi said, "We played very well. I was pleased with our performance. We had a lot of chances, but we didn't score enough goals. You must plan on a marade between the team-

#### Field Hockey Team Captures ECAC Division III Championship!

This indeed was the year for the Lady Knight field hockey team. There was optimism on campus before their season began, but no one dared predict that head coach Anne Noone's team would go 13-4 and win the ECAC Championship. It was the first title ever won in the history of the field hockey program at Saint Michael's, and it culminated a season that saw 23 College field hockey records broken!

Patty Porter '89, held the pen that re-wrote the record book. She finished her fantastic career in style, collecting 18 goals and six assists for 24 points, and set five new scoring records. She became the College all-time leading scorer October 12th against Castleton State, and set the standard by season's end of 43 goals, 13 assists, 56 points. Marie Lane '89 also completed a fine career, graduating as the third-leading scorer in the program's history with 27 goals and 11 assists for 38 points. Lane provided the season's greatest thrill when she scored the only goal in the Lady Knights' 1-0 victory over Bentley in the ECAC Championships. Goaltender Jean Harbeck '90, was the key to the team's success. In her first full season as the starting goalkeeper, she had a goals against average of 0.82, a save percentage of 93%, and recorded eight shutouts. Just a junior, Harbeck set five goaltending records, and was named the ECAC Championship Tournament MVP.

#### Men's Soccer Finishes 2nd in NE-10 Conference with 6-1-2 record

The Purple Knights were 9-8-3 overall, but their difficult independent schedule left them well prepared for Northeast-10 Conference opposition, as they posted a conference record of 6-1-2. In the quarterfinal round of the NE-10 playoffs, Saint Michael's captured the first playoff win in the program's history by shutting out Quinnipiac 2-0. The Knights then travelled to Springfield College to take on the Chiefs in the semi-finals. Played on the frozen artificial turf of Springfield's Benedum Field, the game was tied 1-1 at the end of regulation, and 2-2 at the end of two overtime periods. Springfield eventually won the game by capturing a penalty shot competition, 4-3.

The loss to Springfield did not cast a shadow on a very successful season for head coach Les Johnson and his team. David Belliveau '89 led the team in scoring this season, and moved to second position on the SMC all-time scorer's list, with career totals of 12 goals and 18 assists for 42 points. The owner of four individual soccer records at the College, he was named to the All-Conference first team at season's end. Mike Callahan '91 was also named to the All-NE-10 first team. John Palmer '89 finished his senior season just behind Belliveau in team scoring, and moved to seventh on the SMC all-time scoring list with 10 goals and 15 assists for 35 points. Palmer was an All-Conference honorable mention selection. Goalkeeper Paul Barous '89, concluded his head-spinning soccer career as possibly the greatest netminder ever to compete at Saint Michael's. For the 1988 season, Barous had a goals-against-average of 0.86, a save percentage of 91.4%, and collected 10 shutouts. Barous, who holds seven individual College records, was named to the NE-10 weekly honor roll five times, and was honored as the conference's player of the week once. He was an All-Conference second team selection.

#### Women's Soccer Team Struggles, Kirby Breaks Scoring Record

The Lady Knights had a tough season this fall, finishing the year at 5-10-1. First-year head coach Azzie Azagogh Kouadis '84, found his team confronted with an unfamiliar and unexplainable lack of scoring power. In 1987, the Knights scored 36 goals, but in 1988, with their top offensive power returning, SMC could manage just 16 goals.

One bright spot for the Lady Knights this season was Debbie Kirby '89. On October 26th, Kirby became the College's all-time leading scorer with the final point of her career, finishing with 28 goals and 16 assists for 72 points. She was named to the All-Northeast-10 Conference second team at the close of the season. Another outstanding performer for SMC was Maura O'Connell '89. An All-Conference first team selection, she finished third in the all-time scoring race with 20 goals and 5 assists for 45 points.

#### Volleyball Fares Well Playing Toughest Schedule Ever

Head Coach Lenny Johns continued to upgrade the Saint Michael's volleyball program, putting together another schedule of top-grade teams. The team finished the season with an overall record of 8-15, but it's extremely difficult to post impressive won-loss figures when your schedule is dotted with Division I opposition. This season, the Knights competed against Yale, Dartmouth, Siena, and Vermont — coming away with victories against the latter two schools — as well as the best of New England's Division II talent. Tri-captains Tracy Carlsen '89, Maurisa Holden '89 and Kathy Devane '89 played well all season and were outstanding leaders for the team.

#### Women's Tennis Enjoys Impressive Rebuilding Year

The women's tennis program is headed in a new direction under second-year head coach George Shaw. Although the 1987 season ended with the Knights owning a 4-10 record, Coach Shaw's influence has shown immediate results, as the team's 1988 record was 7-8. Marie Good '89 and Sonya Devine '89 were the team's most effective singles players, with individual records of 7-1 and 7-2 respectively. The team seemed to find the proper chemistry two-thirds of the way through the season, as it won four of its last five matches.

#### Cross Country Teams Have Success, Three Named To All-NE-10 Team

The Purple Knight cross country teams went under new leadership this past fall, as Paula Kneeland took over the women's team, and Larry Martell handled the men's team. Both enjoyed success in their first seasons of coaching at SMC. Three members of the cross country teams were honored at the close of the season, as Kerri D'Arrigo '89 and C.J. Spirito '90 were named to the Northeast-10 All-Conference first team, and Sean Meehan '92, made the NE-10 All-Conference second team.

#### Golf Team Caps Off Year With Best-Ever Finish At The New England's

None of the oddsmakers ever thought it possible, but at the end of 18 holes of the 36-hole New England Collegiate Golf Championships, held at New Seabury, Mass., it was Saint Michael's College atop the 48-team leader board. The tournament is an open competition between Division I, II, and III schools. The Purple Knights finished the tournament in 11th place overall, and in third place among Division II schools, just one stroke behind the University of Lowell. Steve Gretkowski '90, son of Iron Knight Hank Gretkowski '59, was the team's catalyst in the championship as he was all year, firing a 78 and 80 on the two days. What made the team's feat even more impressive was that playing conditions were extremely difficult, with temperatures in the low 50's and winds gusting over 40 miles per hour. Coach Ernie Guilmain said, "Leading after the first day of the Tournament was definitely my greatest thrill as a golf coach. Considering all of the Division I talent that was out there, our chances of being first after the first day were about as probable as winning Megabucks."

#### — WINTER SPORTS —

#### Men's Basketball Finishes At 18-10, Continue Winning Tradition

Head coach Jim Casciano and his staff put together yet another successful season in 1988-89, making it four years in a row that the program has enjoyed a considerable winning record. In fact, you'd have to go back to the mid 1950's to find a four season span to match the 1985-1989 record of 74-42. The Knights won 11 of their final 15 regular season games, before falling to Saint Anselm in the quarterfinal round of the Northeast-10 playoffs, 91-65. The loss to the Hawks marked the second time in as many years that the Knights unexpectedly exited conference post-season play in the first round.

With the end of the season also comes the end of the playing careers of seniors Brian Young, Mike Donahue, Darrel Watkins, and Rodney Sheridan. Young finished 8th on SMC's all-time scorers list, with 1,330 career points. Donahue, the Knights' outside threat, graduates owning seven of SMC's 3-point records. Inside players Watkins and Sheridan also wrapped up distinguished hoop careers. Fans of the Purple Knights have plenty to be optimistic about in the young talent returning to Ross Sports Center next season. Junior point guard Greg Thomas had a tremendous year, finishing second to Young in scoring (18.8 to 17.2 per game), to go along with his 8.3 assists per game. He broke Dan Nikitas's nine-year-old season assist record of 217, collecting 231 this year. Freshmen Keith Odums (8.9 points, 6.3 rebounds) and Monroe Blakes (5.6 points) proved their talents in 1988-89. Inside players Brian Duffy, a sophomore (8.5 points, 5.7 rebounds) and Michel Bonebo, a junior (6.4 points, 6.1 rebounds) will also return. Bonebo broke the SMC record for blocks in a season again this year, swatting away 99, and thereby extended his career total to 249 and counting...

#### Lady Knights Go 16-12 On Season, Enjoy Best Record In Five Years

After finishing seventh in the Northeast-10 a year ago with a conference record of 6-12, Sue Duprat's team turned things around nicely this season, wrapping up fourth place in the NE-10 with a conference record of 11-7. SMC struggled a bit down the stretch, however, losing 3 of their last 5 regular season games, and then lost by a point to Saint Anselm in the quarterfinals after beating the Hawks twice in the regular season.

Much of the team's success should be credited to this year's senior class of Kathy King, Pam Nee, Caroline Granese, and Gina Vintalore. King will graduate in May carting a wheelbarrow of career achievements. Named to both the Northeast-10 and ECAC All-Star Teams, she became only the sixth player in Lady Knight history to break the 1,000-point barrier; the first to collect over 1,000 rebounds; and the first to ever break 1,000 in both points (1,230) and rebounds (1,039). Holding #4 on the all-time scorer's list, she graduates owning 14 SMC records. Pam Nee, possibly the finest point guard in SMC history, graduates as the College's all-time assist leader (for both basketball programs) with 544. She also set the single-season record this year, with 202 assists. Caroline Granese and Gina Vintalore also had great careers — serving the team as leaders on and off the court. Speaking of personal achievements, Sue Duprat became the winningest single sport coach in the College's history this season, surpassing George 'Doc' Jacobs mark of 158 wins in men's basketball. Duprat's career win total now stands at 166.

#### Ice Knights Complete Best-Ever Season With Trip To ECAC Final "4"

Many thought that last year's team was the pinnacle of success for the hockey program at SMC, but head coach Lou DiMasi has continued to set new standards of excellence with his Ice Hockey program. The Knights went 16-7-1 overall and 15-3-1 in the ECAC this season, both best-ever records for the program. The team finished tied for second in the 14-team ECAC North, and were seeded third in the playoffs. Hosting Suffolk in the quarterfinals, SMC found itself trailing 4-3 with time quickly running out. However, junior Brian Mullahy scored the game-tying goal with 1:02 remaining in the game, and then set up senior Mike Murphy with the gamewinner with just 31 seconds left to grab the 5-4 win. The Knights were eliminated in the semifinal round by a very tough Curry College, 9-0.

DiMasi's program will lose seven fine seniors to graduation this May; tri-captain Mike Murphy (22-28-50), Todd Drolette (35-25-60), Dan Glover (12-9-21), Herb Kopf (18-18-36), tri-captain Rob O'Malley (11-32-43), tri-captain Mike Sheeran (7-46-53), and Jamie McKenna (2-3-5). Junior Brian Mullahy led the team in scoring this season with 17 goals and 22 assists for 39 points. Two other juniors making significant offensive contributions were linemen Sean McNulty (20-9-29), and Brian Skinner (10-19-29). Defensemen Tim O'Brien (2-15-17), a junior, and sophomore Marty Statlander (3-13-16) had great years at the SMC point. In goal, sophomore Mark Crowley had a tremendous season, with a personal record of 7-1-1, a goals against average of 2.73, and a save percentage of 92%.

#### SMC Alpine Skiers Dominate EISA II, Nordic In Rebuilding Phase

As has become common knowledge to all Division II colleges in New England, SMC holds the upper hand in College Alpine skiing. Again this season, the Knight men's and women's alpine ski teams were the toast of the EISA II circuit. Under the guidance of head coach Rick Mackey, both teams finished second at the Division II Championships, with the Lady Knights coming very close to the title, missing out by four points in the slalom competition. The men's team had three skiers named to the EISA All-East Team: Bob Hawkins (for a fourth time!), Mark Keeney (for a second time), and Whitney Burr. The women placed four skiers on the Division II dream team: Kara Woods (second time), Michelle Misiasek (second time), Sue Kero (second time), and Beth Gray. Of those previously mentioned, just Hawkins and Keeney are seniors.

The nordic team, under first-year coach Craig Ohlsen, suffered from a lack of experience and numbers this season. Although the roster is smaller than at most competing colleges, it holds more skiers than the nordic program has seen at SMC in recent years. Top performers for the men's and women's teams were Jeff Kellogg and Patty Kruse.

#### SMC Swim Teams Suffer From Small Rosters, Endure Rebuilding Year

Head coach Danita Pokorny said that her swim teams "had plenty of effort, just not plenty of bodies," as both teams suffered a small roster problem. As a result, the women's team finished with a record of 4-7, while the men completed their season at 2-8. The Most Valuable Swimmers for the 1988-89 season were junior Kara Hannon, one of the top talents in New England Division II, and sophomore Jeff Bruzinsky. Awarded as most improved were senior Lynn Pigeon and junior Bill Lynch.

#### SMC Men's Lacrosse Team Enjoying Another Successful Season

Head Coach Mike McColgan's Purple Knights are 6-4 as of this writing heading into their final game of the season. Their 3-1 Cox Conference record has them tied for second place in the league. George Finn is currently the team's leading scorer, with 36 points coming on 23 goals and 13 assists. He will most likely finish third on the all-time scorer's list, as his 126 career points are 22 away from #2 Ray Roch '87. Brian Walker (17-10-27), captain Andy Kuczo (19-3-22), and Jeff Cashman (9-11-20) have also been supplying plenty of offense this year. Goalkeeper Rich Kelley has been outstanding for the Knights this season, and holds several SMC goaltending records.

#### Lady Knight Lacrosse Maintains Winning Tradition, Currently 6-3

For the sixth time in the seven seasons that Saint Michael's has offered varsity women's lacrosse, the program has turned in a winning season. Not since 1983, the Knights inaugural season, has SMC known a sub-.500 season. The team is currently 6-3, heading into their final game of the season with Clarkson. The amazing Patty Porter leads the team in scoring, with 26 goals and 8 assists for 34 points. Diane Slahtosky is next, with 26 goals and four assists for 30 points. Diana Scannell rounds out the top three with 11 goals and 10 assists for 21 points. Betsy Reilly, in her first season of lacrosse ever, has been doing a great job in goal for the Lady Knights, playing every game and maintaining a goals against average of 9.0.

#### Men's Tennis Moves To Spring Season, Coach Shaw Rebuilding Team

Head Coach George Shaw is confident that better things are ahead for his men's tennis team. The Purple Knights struggled through their first spring campaign in recent history, going 0-9 for the season. Coach Shaw is rebuilding, as the program has not enjoyed a winning season since the fall of 1981 and has won just six matches in the last five years.

The 18 varsity teams that represent Saint Michael's College participated in 237 games, matches, meets, and tournaments in the past year, combining for 124 wins, 108 losses, and 5 ties!

# ORGANIZATIONS

Kathleen Ash

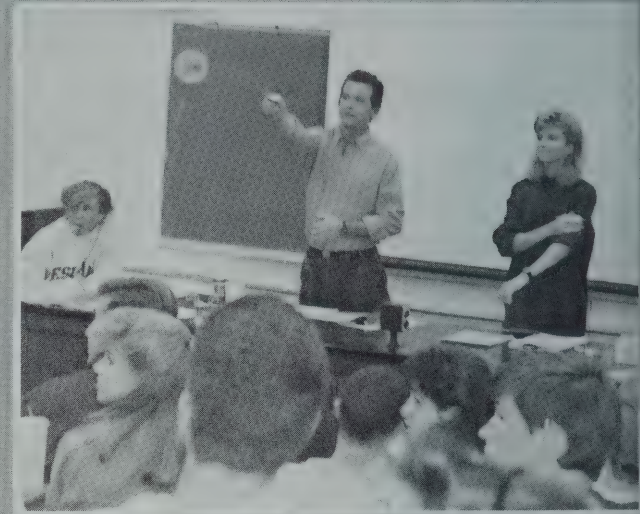

# Student Association

*The Student Association was founded in 1905. It was established to provide students with the opportunity to voice their opinions on college issues and to help foster student-faculty relations. Pat Gallivan and his administration have continued the tradition with the slogan, Making the Difference.*

*The administration worked hard in creating a balance between social issues, academic and student policies, and programs on campus. They also worked diligently at improving the level of involvement of the students. Their success on this issue can be seen by the "We Want a Say" protest, which was about having a voice in decision-making. They also donated \$9,000 to volunteer services, changed the room draw procedures, and improved the level of interaction between International and American students.*

*The officers and representatives strived to provide programs for everyone on campus, such as the "Van to Nowhere" and movies in the Rat. Throughout the year the S.A., provided a welcome atmosphere and promoted a strong, representative student voice.*

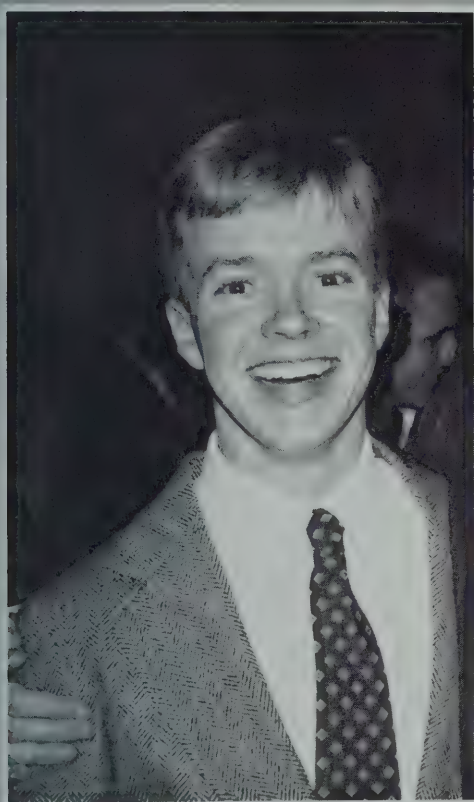

# Class Officers

The Senior Class Officers, led by President Rick Cote, focused their attention on graduation. The responsibilities included finding a Commencement speaker, Senior Week activities, and the Baccalaureate Mass. Cote spent three years working very hard for the class of '89 as class president. Other class officers included: Mark Wysoki - vice-president, Mike Leone - treasurer, Nancy Sokolosky - secretary, and Anne Fox - programming assistant.

The class officers instituted the very successful fundraiser of birthday cake deliveries. Another event this past year was the Christmas Semi-formal at the Radisson. This too was a tremendous success. Additionally there were Senior Socials at the Rat and the '89 Days til Graduation party at Prohibition. The officers also had the Dinner Raffle for Parent's Weekend and Commencement. Under Cote, these seniors ran the events which made Senior year memorable. The most rewarding of all of the efforts was the class of '89 Memorial Scholarship which the class gave as their Senior Class Gift.

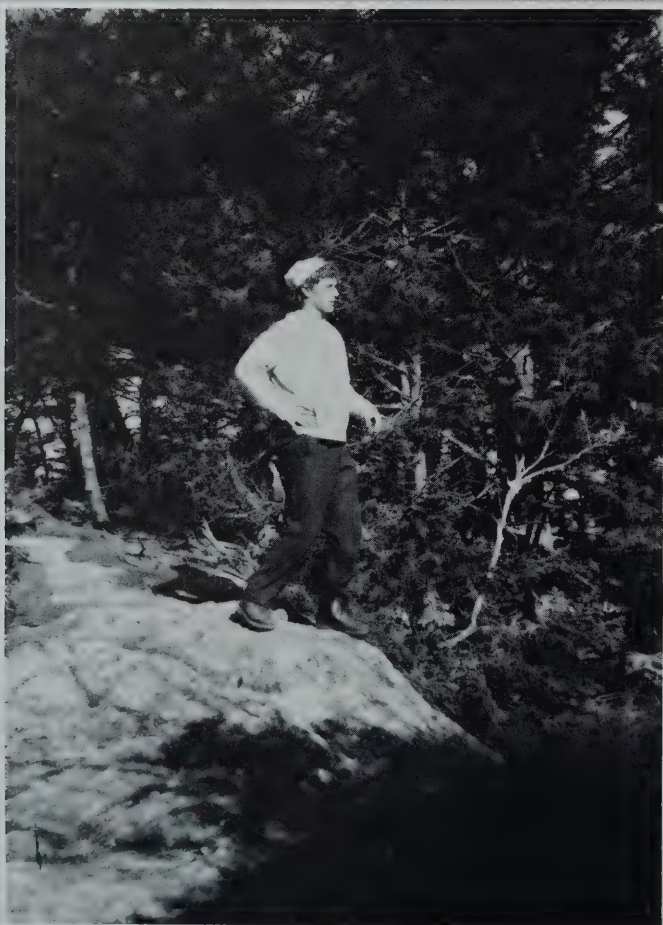

# Outing Club

*The Outing Club thanks the continued efforts and enthusiasm of Jen Plumley, Rich Fallon, Karen McCarthy, Lee Van Dine, Celeste Cremin, Jeff Flaker, and Chris Casiello. A special "Thanks" to Jennie Cernosia and Father Mike for all their support and guidance.*

*The Club made a number of fun excursions into the Green Mountains and neighboring Adirondack Range - day trips up The Hump and Mt. Mansfield. Sunrise at Mt. Hunger (well . . . almost!). Overnights at the cozy huts of the LT - Lincoln Gap and Nebraska Notch. Beware, Hunting season at Ascutney! Merrick Forest- at last . . . it does exist!! Acadia or bust- for the Spring! Canoeing on the lake- ain't life grand! Happy Hiking to all. Thanks for the great memories.*

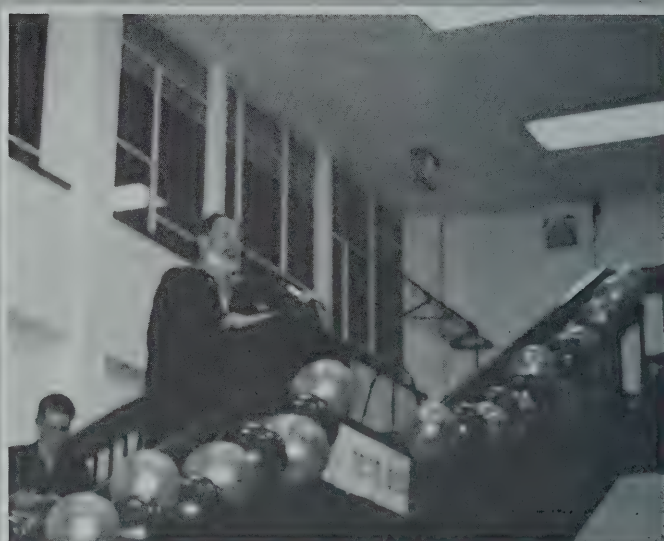

## Crown And Sword

*Crown and Sword is a volunteer organization on campus which was established in the fifties. Crown and Sword participates in many community activities under the leadership of Susan Wagemaker. Their major events this year include "Rent-a-Prof", an event which raises money for scholarships, and the Multiple Sclerosis Dance Marathon. They have also offered their services at the Alumni and Parents Phonathon, the Children's Fair and the Bloodmobile. In keeping with its admirable reputation, Crown and Sword will continue to reach out and help the community.*

# Chorale

## *Saint Michael's Chorale*

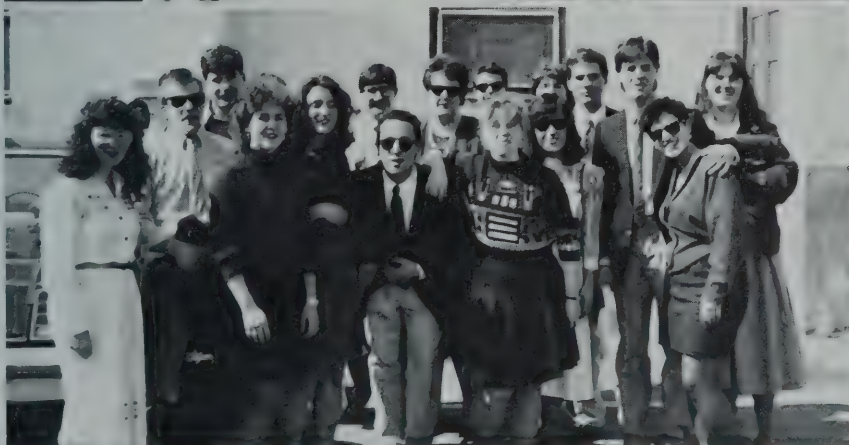

Show tunes, Gregorian chants, and renaissance Motets are among the wide variety of musical styles the Saint Michael's Chorale presents at its concerts. Over 44 students from every major and a variety of musical experiences comprise the vocal group.

This year the Chorale was able to participate in a Fall tour, as well as their usual Spring tour. L'Oratoire at St. Joseph's in Montreal was the sight of the Fall tour. The group also managed to perform at St. Edmundite-owned Isle LaMotte. Other fall performances occurred Homecoming Weekend, the Convocation, and their Christmas Concert.

The Spring tour brought the Chorale to Groton, Connecticut and to New York. Other spring concerts were Palm Sunday and Parent's Weekend.

President Kathy Coughlan is a four year veteran of the Chorale. Another senior, John Hoffman served as vice-president. Director of the Chorale is Dr. William Tortolano.

# Liturgical Folk Choir

Directed by John Penoyar, the Saint Michael's Liturgical Folk Choir works with a variety of musical traditions. Contemporary folk composers, black traditional sources, American hymnody, as well as traditional Catholic hymns can be heard in a typical Sunday Mass.

Within the choir itself are two groups which join together for special occasions. In February, the choir traveled to New Orleans where they sang at Xavier University and St. Peter Claver Parish. Other special occasions included Freshman Orientation, Parents Weekend, Baccalaureate Mass, Christmas, Easter, and Special College Celebrations.

This year two seniors belonged to the choir. Brian Canavan contributed greatly with his four years of experience with the music. Sue Reed, who lives in the area year-round, provided Penoyar with great input. The choir could be heard Sundays at 11 a.m. and 9 p.m.

## S.A.A.

*Over 100 student volunteers are a vital part of the Admissions Office. Although the core admissions staff provides basic directions and management, it takes the S.A.A. to round out the program and add the extras needed to make prospective student's visits and inquiries to St. Michael's something special.*

*The S.A.A. volunteers work with different admissions projects. The majority of the students begin as tour guides, showing prospective students and their parents around campus. In addition to daily tours, the volunteers are involved in all the special events. These include the Fall Open House, explorations, Vermont Bus Tour for guidance Counselors and other groups coming to campus.*

*The S.A.A. is also involved with the Home Town High School visit program, the letter-writing campaign, phonathon, and day and overnight visits. The impact of these volunteers has a tremendous affect on the whole admissions process.*

## Arnold Air Society

*The Chaplain John Verrett Squadron of the Arnold Air Society is a professional honorary service organization connected with the ROTC program. The CJVS chapter is a member of a nation-wide organization which seeks to provide community services to the surrounding area. Its members must pledge to gain admittance to the fraternity-like program which is composed of Saint Michael's and University of Vermont cadets. Under the supervision of Commander Julie Travernicek the Cadets learn to follow orders and handle situations with a balance of military strength and courtesy.*

*The CJVS was actively involved in an on-going food drive for the Chittenden County Food Shelf, donated time and effort to the Salvation Army as well as sponsoring Blood Drives, the Phoneathon and various other telethons.*

# Onion River Review

*The Onion River Review is the literary magazine which nourishes the creative arts at St. Michael's. The magazine publishes student as well as faculty poetry, prose, artwork, and photography. Sean Reagan was the editor for the fall edition. Mary Williams and Jeff Hay assumed the position for the spring edition.*

*Everyone is encouraged to contribute their work. Seniors Marie Lane, Chris Sariego, Bill Anderson, Andrew Geffken, and Kathy Schiavi have been major contributors over their four years here. The Onion River Review is published once each semester.*

## Coffee House

*The Coffee House program is responsible for providing high quality entertainment within the confines of an economical budget. The non-alcoholic events encourage the participation of students in their various activities. Two favorites, the notorious Dating Game and Roommate Game, encourage audience participation.*

*The chairperson of this year's Coffee House, Tricia McGowan, organized events such as the Comedy of Guilty Children. Performances by St. Michael's graduate, Tom Walters, was also a popular attraction. The Coffee House met its goal in encouraging student involvement in social activities on the campus.*

# MOVE

*MOVE (Mobilization of Volunteer Efforts) is a community service organization under the direction of the Office of Campus Ministry. Their mission is to encourage a sense of service to all members of the Saint Michael's College Community. Their goal is to channel the talents, creativity and the energy of students into innovative and effective service programs that will enrich the Cittynden County community, especially the poor and the disenfranchised.*

*MOVE tries to respond to a variety of needs. This year efforts were divided into several programs. The education needs of people in our surrounding community, Senior Citizens of Burlington and Winooski, a youth development program, assistance to those in need of temporary relief, a program of student and youth relationships such as Little Brother and Little Sister, and a variety of special programs were among the various efforts.*

*Additionally, MOVE has had a variety of other successes. MOVE's First Annual Children's Day, B'CAUSE WEEK (Burlington Cause Week), Five Days of Fun . . . And Service, Spring Breakaways, The Student Hunger Cleanup, and other projects were under the direction of the student Core Group of MOVE.*

*Seniors Lauren Luoma, Tin LeBouthillier, Teresa Morrison, Denis Houle, and Julie Cronin provided the leadership, direction, and enthusiasm to make MOVE happen. Their efforts developed MOVE into the vital part of Saint Michael's College it has become.*

EDUCATIONAL NEEDS

# Peace And Justice

The Peace and Justice Committee covered many topics of pertinent interest to St. Michael's. The group specialized in supporting those in most need.

The committee remains active throughout the entire year. Topics which were covered "Beyond War", Protest at General Electric, Life in Central America, Homelessness, Women In Society, Aid to Nicaragua, Life in South Africa, Adoption of a Guatemalan Child, Deinstitutionalization, Depletion of the Rain Forests, Black History, Amnesty International, "Women Helping Battered Women", Peace Studies, Abortion, and Recycling.

Under the leadership of seniors Kathy Butts and Amy Williams, and with the supervision and support of Father Mike Cronague, the Peace and Justice Committee had an active year. There was much dedication and work displayed by those involved in the various efforts.

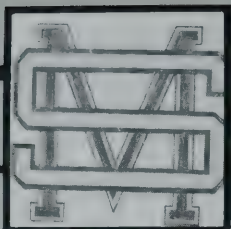

Although there were many who participated in the planning and implementation of the programs, Kathy Butts, Amy Williams, Dave Kells, and Karen McCarthy showed the most spirit.

The Committee received tremendous support from the Executive Board of the Student Association, particularly Pat Gallivan, Anne D'Angelo, Tom VanZura, and Deb Rogers. Jennies Cernosia also played a major role encouraging and helping the Peace and Justice Committee.

Amnesty International sets out to work for the human rights of people worldwide. The group mainly works with each student writing a couple letters a month, expressing their concern about prisoners of conscience and human rights. Amnesty International also works for student awareness concerning controversial issues. These worldwide issues concern violations of the International Declaration of Human Rights. The St. Michael's chapter of Amnesty International is sponsored by the Peace and Justice Society.

## Cheray Science Club

The Cheray Science Club has undergone extensive rebuilding and rejuvenation this year. President Ray Raberage, Vice President Greg Baxter, President/Treasurer Mike Bergeron and Secretary Melissa Smith have worked to make this year, the club's most successful year. The past two semesters have seen the opening of the popular Cheray Science Crisis Center, a student run tutoring workshop and the reorganization of the club into committees, each working on a specific task. Aside from departmental activities and field trips, the club has also expanded to include faculty/student lectures and functions, communication with alumni and local high school science awareness programs; such as a High School Science Day and travelling science demonstrations.

## Political Science Club

The Political Science club had a very active year. Most of the club's activity was centered around the participation in the Harvard National Model United Nations conference held at the Boston Marriott Copley Place Hotel. Six members of the club and Professor Bill Wilson attended the Model United Nations, and represented Guatemala.

The conference involved extensive preparations about the structure of the real U.N. and required in depth study of politics and society in Guatemala. In addition, each student had to research a topic area they would be debating in committee.

Those who attended this year were Mike Gizzi (Head Delegate), Julio Castellanos, Anothony Buono, Rob DeStefano, Laura Kilmartin, Jen Murphy, and Professor Wilson.

Other club events this year included political discussions among members, and the co-sponsorship of a Wednesday night discussion series first semester with the Peace and Justice committee which covered issues as diverse as the Beyond War movement, election discussions, and apartheid.

# Fire And Rescue

*"Hey, did you hear about that car accident?"*

*"Yeah, I helped save that guy, I'm on St. Mike's Fire and Rescue."*

*"We have a fire department?"*

*"Yeah, the Fire Department has two pumpers and a ladder truck. It's up on North campus. The ambulance is in the Rescue Garage behind Salmon Hall."*

*"Do you guys just do campus calls?"*

*"No, Rescue goes to Williston, Winooski, Hinesburg, St. George and St. Mikes. That's over 12,000 people. Fire assists coverage to the town of Colchester."*

*"Do you get a lot of calls?"*

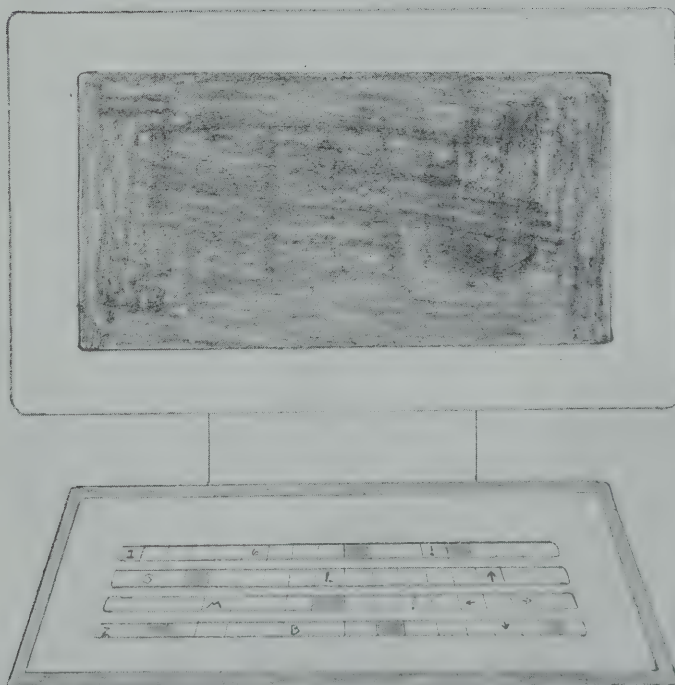

*"Added together, I'd say both units went to around 1,500 calls last year."*

*Saint Michael's Rescue Squad began in 1969 after a St. Mike's athlete died on the playing field. The Rescue Squad was the first to provide ambulance care to 385 square miles of Chittenden county. The Rescue squad purchased a \$50,000 new Ford ambulance this year. The Fire Department was formed in 1970.*

*To graduate from the Rescue Unit: Paula Stiles, Captain; Joell Gills, Secretary; Susan Morelli, former Captain; Chris Sariego, Membership Chairman/Public Relations; and James Robert McKenna.*

*To graduate from the Fire Department: John Lindsay, Fire Captain; Kevin Bouchard, Engineer; and Tim Morrissey, Fire fighter/Paramedic.*

# Business Club

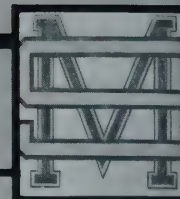

*The Business Club provides students with an opportunity to learn about the business world, first hand. The club's 50 student members work through local firms and campus activities.*

*One of the club's most exciting endeavors is the Investment Game, which is sponsored by Merrill Lynch. This allows students to experiment with investments relying on their own knowledge and decisions.*

*The Business Club also invites and sponsors many speakers from local firms to visit the school, throughout the year. The president of the club this year is senior Lauren Luoma. The vice-president is senior Tim LeBouthillier. Elisa Sartori is treasurer, while Missy Lavender is the secretary.*

# Defender

*Cassy Phares, executive editor of The Defender, led the staff as they re-designed the entire format of the newspaper and improved the overall coverage of campus events.*

*Every Monday the editors could be found in the computer room of St. Edmund's frantically editing copy, proportioning photographs, and designing pages. There were some weeks in which it seemed as if all of the confusion would never become the finished product the campus would see on Wednesday. Yet, somehow they always managed to pull it all together.*

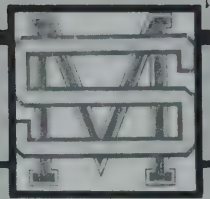

*This year's staff covered everything from George Bush's speech at the Williston Firehouse to students "wanting a say" in the administration's decisions.*

*The members of this year's editorial staff were: Jill Jesso, Sharon Gaude, Kim Keddy, Laura Chambers, David Ferrigno, Kate Hayward, Kevin Flaherty, Anne Geggis. The business manager was Andrew Pelosi. Dr. Jack Hillwig advised the paper.*

# WWPV

*During the summer, WWPV-FM was moved from North campus to Saint Edmund's Hall room 222. The project was funded, in part, by the Gannet corporation and the Saint Michael's Department of Journalism. The move gave the station a chance to wipe the slate clean and begin anew.*

*WWPV has been cited by Associated Press for the Best College News Operation in Vermont for 1986, 1987 and 1988. A recent survey indicated that WWPV ranked second among all stations serving the Champlain Valley including commercial mediums.*

*Senior Dana Cole, acting as station manager for the last two years, participated in research, design and construction of the new facilities.*

*Other seniors who played a major part in PV's operations are: Anthony Flanagan, Music Director and J. Kirby Goode, Marketing Manager. Tony had his hands full attracting record companies to supply the station with promotional compact discs. Kirby established an underwriting program to attract businesses to sponsor PV shows. Proceeds are going to the new transmitter fund.*

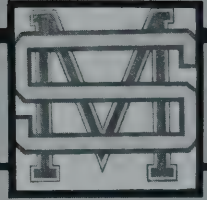

*Many underclassmen were involved this year in making PV successful. They are; Production Manager Mark Ford, Internal Communications Director William Conlon, and Program Director Tony Roy.*

*The station has come a long way since the days of Sloane Arts Center on the north campus. The new image and location has attracted more participants than ever. It has only one direction to go.*

# Rat

The Rathskeller, more commonly known as the Rat, opened in 1979 providing a place for St Michael's students to socialize and have a few beers on campus. With the continued changes in the Alcohol Policy, the Rat had to make changes as well. To accommodate the entire student body, the Rat was opened Monday and Tuesday nights for games, movies, and Monday Night Football. Wednesday and Thursday nights were left open for those of legal drinking age. All in all the Rat was still the Rat.

The Rat was kept open due to the efforts of senior student managers Steve Linnehan, Lisa Sisk, and Maureen Gillan. There were drink specials, the popcorn machine, a pool table and the Super Shooter. Bands that were invited to play included Mr. Elephant, Tom and Terry, and Bootless and Unhorsed for St. Patrick's Day. The Rat continued to be a part of the day and Knightlife at Saint Michael's College.

Question: "What does CIP do?"

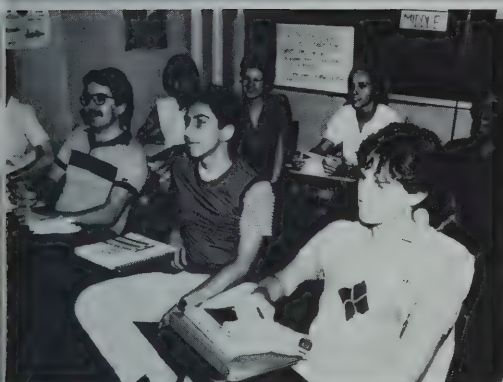

Answer: "A little bit of everything."

The Center offers three basic programs—The Intensive English Program, The Undergraduate-Associate Program, and the MATESL program - a graduate teacher-training program for international and American students who want to teach English as a second language. The Center also does short-term training programs in English language and American culture for groups and is now developing programs which will utilize the new International Houses and Commons building located in the 400's area.

1988-89 has been a busy and exciting year for us. Over 800 students from 31 countries have studied in our Intensive English and Undergraduate-Associate Programs. The new International House and Commons were opened the end of September. Special programs were provided for students from Showa Women's University in the fall and spring. Saint Michael's received a 3rd CAMPUS- Junior Fulbright Grant which brought 13 students from Central America for undergraduate degrees in Business and TESL/Education.

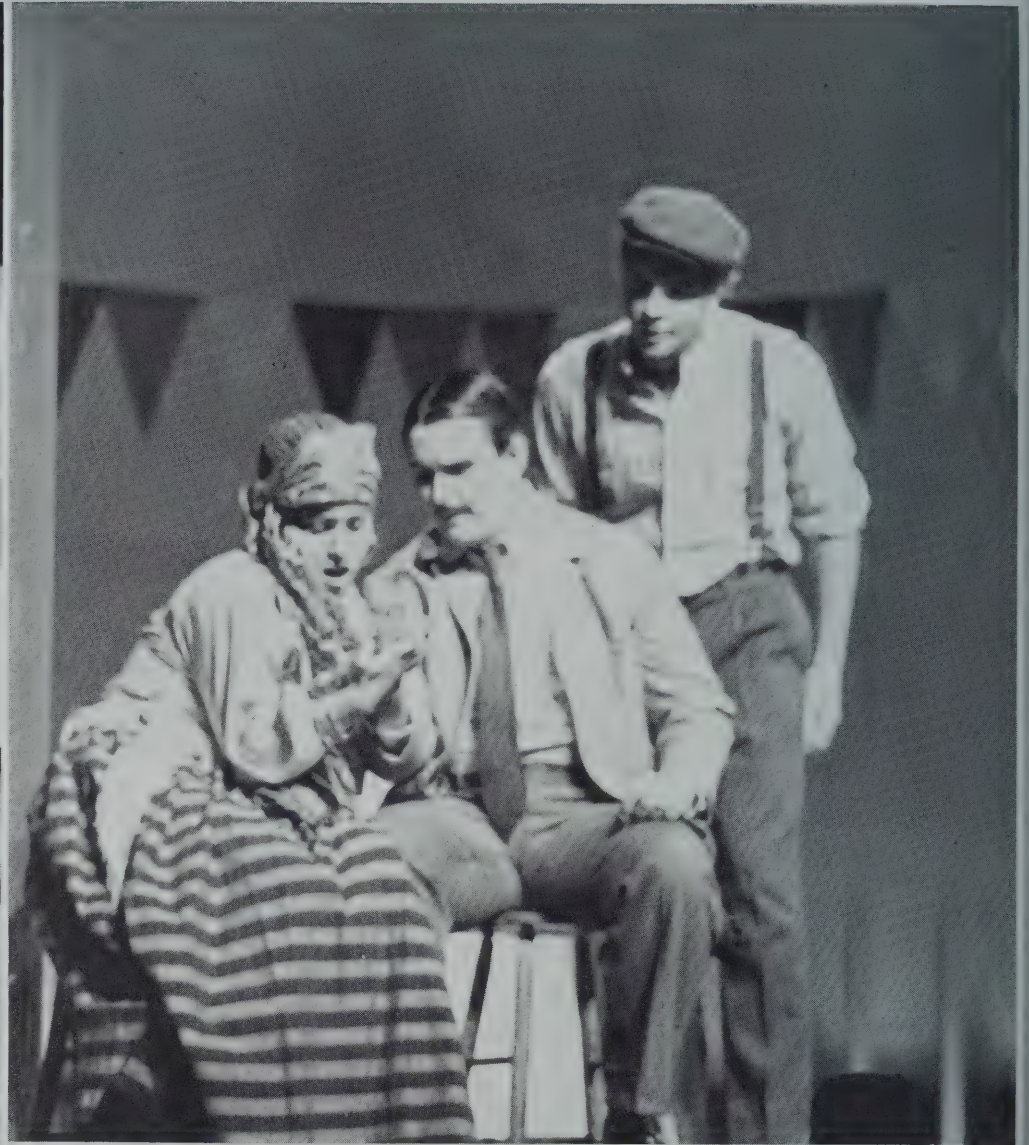

The most gratifying and exciting experiences this year have been the growth in integration and joint activities for both American and International Students. With the leadership and enthusiastic support provided by the S.A., an International Sub-Committee was established. An International Friendship society, pairing American and International Students, was also organized and the College celebrated its International Week April 9-16.

With all of these creative developments, the growth in the SMC Study Abroad program and discussions about internationalizing the curriculum, SMC is really living up to its reputation of being an international college and is adding to its 5th Fine Tradition: International Service. Congratulations to all!

# BACCUS

*BACCHUS is the organization on campus devoted to the promotion of responsible drinking. BACCHUS stands for Boost Alcohol Consciousness Concerning the Health of University Students. This is a national organization whose goal is not set out to discourage drinking but to encourage responsible drinking.*

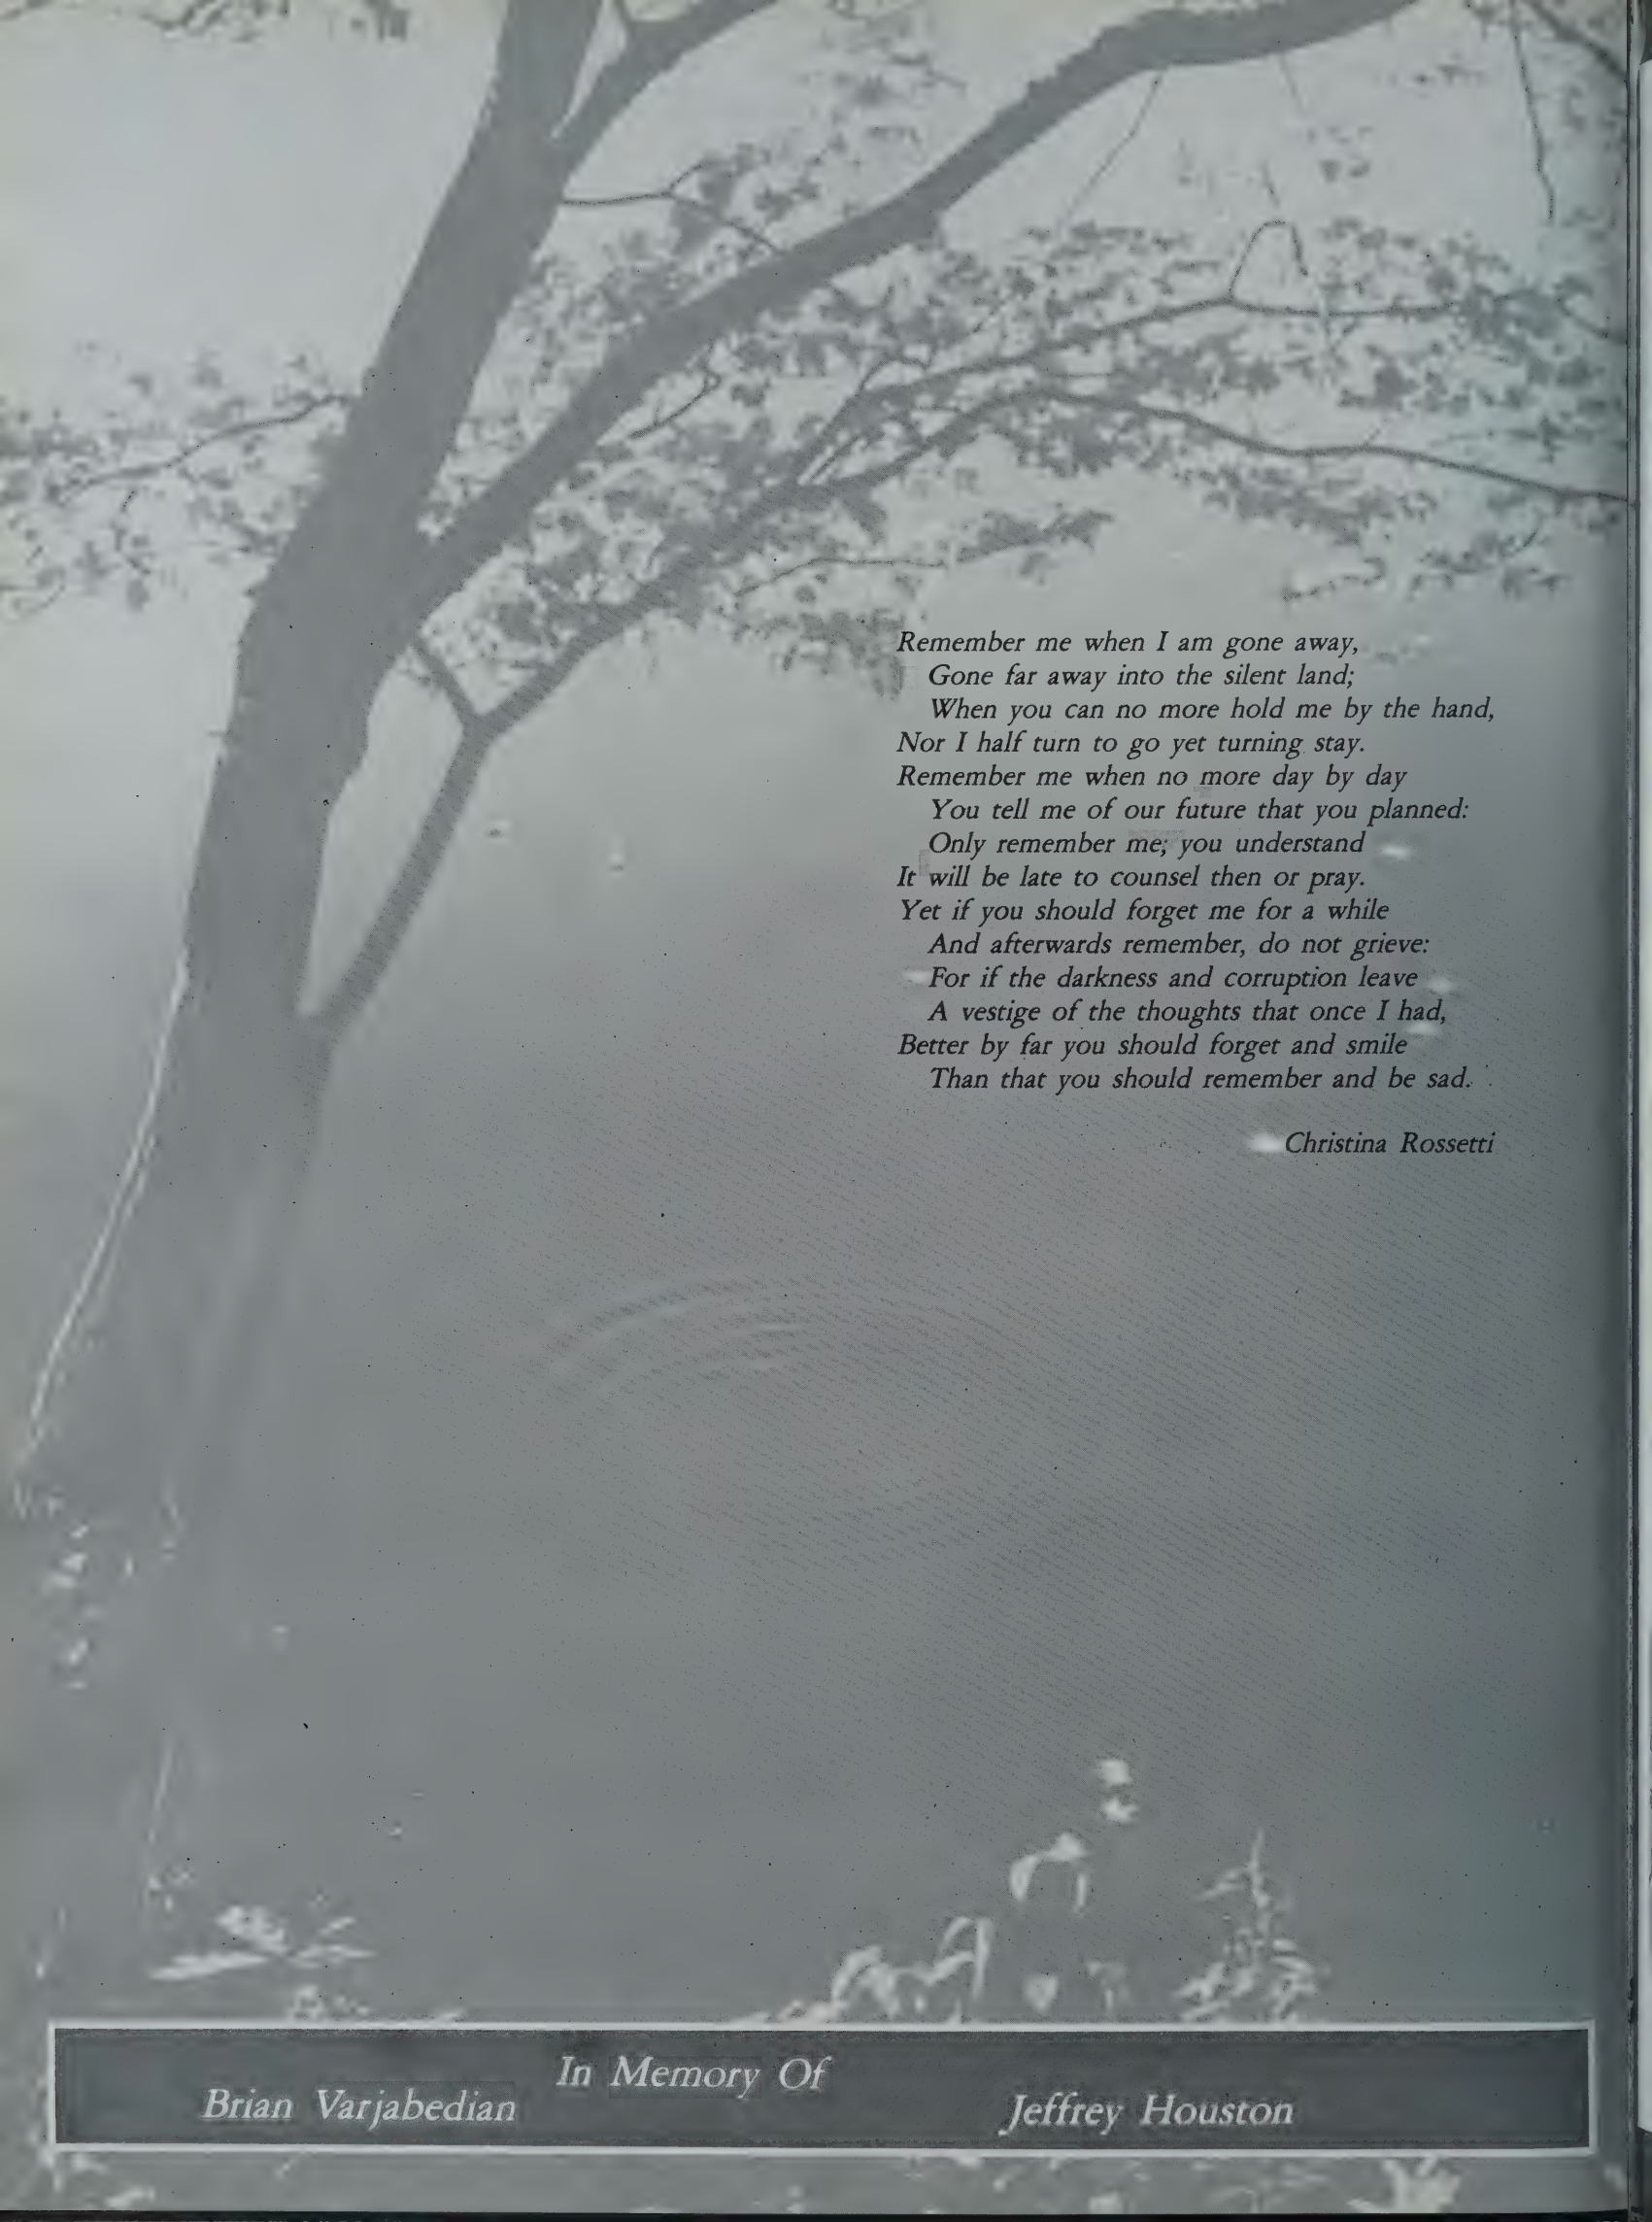

*Under the leadership of Sophomore John Matte and Lorraine Aucoin, BACCHUS was a strong presence at campus events. The major effort this year was for Alcohol Awareness Week. This included the Health Fair, a Defender supplement, and Mocktail Mixoff, a contest searching for the best non-alcoholic drink.*

*BACCHUS also provided free mocktail bars at all the dances. They were especially involved with the Blind Date Ball and the Halloween Bash. Las Vegas Night during Parents' Weekend and the International Dance were other events sponsored by the organization.*

*A cruise on Lake Champlain showed the outdoor side to BACCHUS while movies were the indoor attraction. Perhaps the most moving event was the BACCHUS sponsored speech by Tom Murray who used the literature of Dylan Thomas to communicate his experiences as a recovering alcoholic. BACCHUS promoted alcohol education to a growing and developing audience.*

*Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go yet turning stay.  
Remember me when no more day by day  
You tell me of our future that you planned:  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.*

*Christina Rossetti*

*Brian Varjabedian*

*In Memory Of*

*Jeffrey Houston*

*There is nothing worse than becoming sick away from home: away from your own bed, your own room, and of course, away from your parents. Especially your mother, whose very presence seems to make you feel just a bit better. Since 1976, students at Saint Michael's have found the closest thing to mom's concern and solace in the person of Jane Campbell, Director of Health Services, and the able staff she assembled.*

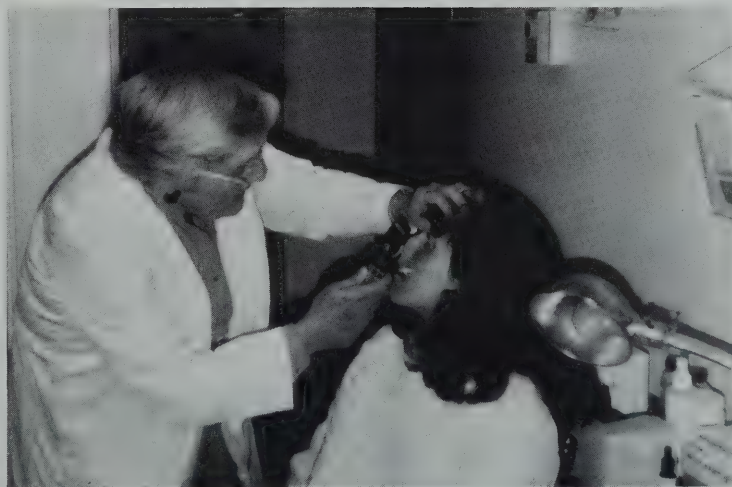

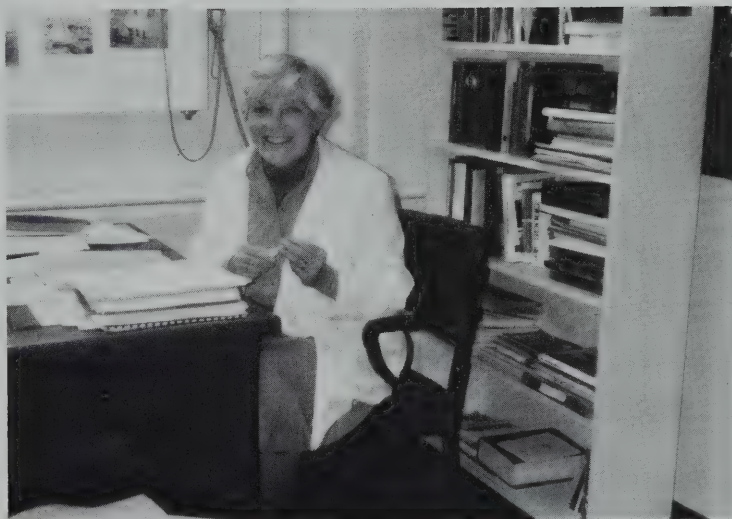

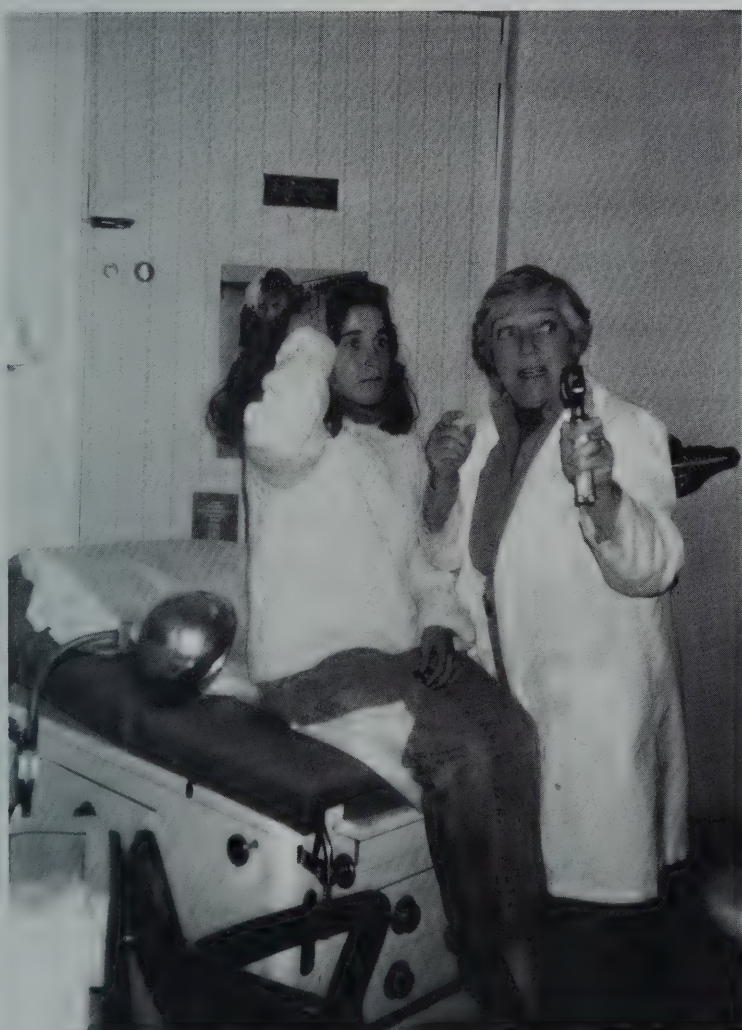

*When Jane arrived on campus the emphasis of the Health Service changed from just responding to illness to helping create an atmosphere of wellness. Programs designed to educate students and staff about the importance of lifestyle changes in order to enhance well being have become a regular part of the Health Service role on campus. Collaboration between the Student Resource Center, the Athletic Department and the Student Life Office has also been fostered.*

*Clearly, all these changes are evidence of Jane's professionalism as a health care professional. What they don't show however, is her warmth, caring, and concern as a human being. What Jane has given to Saint Michael's during the past 13 years is more than a sense of professionalism and pride in her programs, although those are certainly paramount. What has really characterized Jane's tenure here is her unlimited capacity to love and care about every single student on this campus. That is what has made Jane so special to so many of us and that is what will cause us to miss her the most.*

*One of Jane's favorite sayings, which is found on a tombstone in a Montpelier cemetery is "She Did What She Could." Jane, we feel you did all that and more.*

*As a small token of our love and appreciation, we dedicate the 1989 Hilltop to you.*

# ADVERTISING

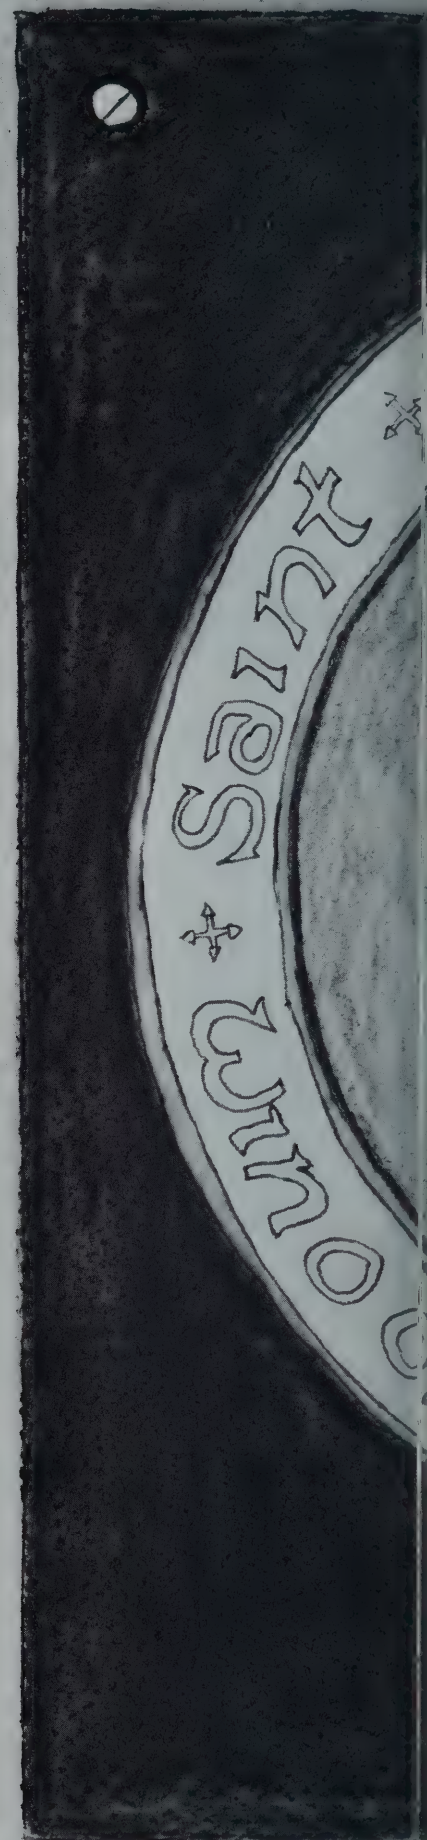

*At this time, we the Hilltop staff on behalf of the subscribers to this publication, would like to thank all the sponsors and advertisers herein.*

*Without your support, this year's staff could not have put together the fine book of memories that will stay in our hearts for years to come. We would also like to take this opportunity to thank our parents, for without them this book would not have been possible.*

*Through continued support in subsequent years the Hilltop staff will always make a publication worthy of Saint Michael's as well as leave an inprint of the sojourn in our minds.*
